

Leo Harrison

Founder & CEO, Chapter 2

Leo Harrison was a founder member at OLIVER agency, helping grow the agency from 4 people to 3,000 globally. As COO, he saw firsthand how hard it is to protect culture and quality while scaling global teams fast. That's the problem he set out to solve when founding Chapter 2 in 2020.

Chapter 2 set out to disrupt recruitment with a faster, more cost-effective approach to talent acquisition. Since its launch, the Steven Bartlett backed RPO has grown 40% year on year and now employs over 200 people across 10 countries.

✦ THE LATEST CHAPTER

The Book, is Chapter 2's AI-powered talent intelligence capability. The latest innovation is set to revolutionise recruitment by supercharging its talent partners with a powerful AI capability. Making them more effective than ever before to its clients.

THE TEAM BEHIND THE BOOK

Daniel Feldman (ex Toptal and Microsoft) leads the team behind The Book, already embedded across some of Chapter 2's highest-profile client partnerships. The Book reaches further than traditional recruitment platforms, searching across a wider range of sources to uncover talent that might otherwise be missed. But its real value goes beyond finding people. It gives Talent Partners the market intelligence and evidence to challenge a brief, show clients what is really happening in the talent market and advise them on what to do next. This moves the recruiter beyond filling vacancies and makes them a far more valuable partner to the business.
